

PUBLIC NOTICE
City of Hoyt Lakes

The monthly residential water/sewer/refuse charge will be \$114/month effective with the January 2021 billing which will be mailed out approximately February 1, 2021. If you are not currently delinquent on payments, and you are unsure as to which month you should be paying for, please wait until you receive the February 1st billing statement. Commercial customers will increase proportionately. There will be a 10% late penalty charge for accounts that are not paid by the last day of the month.

The City's secure online payment portal is available to pay your monthly utility bill. Please visit our website www.hoytlakes.com and click on Pay Your Bill Online.
