

PUBLIC NOTICE CITY OF HOYT LAKES

All City facilities are closed to the public until further notice. City staff will continue to work in all facilities to provide essential city services. You are encouraged to connect with city staff through the website: www.hoytlakes.com, by phone: 218-225-2344, and by email: info@hoytlakes.com.

The City offers several ways to pay bills which include a drop box located outside of the main entrance of city hall, online payment through the city website, phone in by credit/debit card, and sending by regular mail.

At this time, the Recycle Center is still open, but we ask residents to place cardboard in the entryway for pickup by an attendant and to also maintain a distance of 6 feet from other people.

The City of Hoyt Lakes has been working with local, county and state partners to help protect the health and wellness of both the community and employees during the rapidly changing coronavirus outbreak.
