

**PUBLIC NOTICE**  
**CITY OF HOYT LAKES**

**ATTENTION: CITY OF HOYT LAKES RESIDENTS:**

Please do not rake or blow leaves out of yards into the street and gutter. This can lead to clogged storm drains, which can cause flooded streets and yards and costly repairs. Additionally, piles of leaves on city streets can cause complications with street sweepers. Leaves should be bagged and brought to the Recycle Center.

The City of Hoyt Lakes appreciates your cooperation. Thank you.
