

PUBLIC NOTICE
CITY OF HOYT LAKES

The City of Hoyt Lakes will be limiting water usage due to the ongoing drought. Lawn and Garden watering will be restricted to watering on even-numbered days at residences with even-numbered addresses and odd-numbered days at residences with odd-numbered addresses. Additionally, watering will be restricted between the times of 6am-10am and 6pm-10pm. Lawns with new sod due to the street construction project are requested to continue watering the new sod without restriction at this time. Thank you in advance for your part in helping conserve water in our community.
