Are you sure you are registered for the General Election on November 6, 2018?

If you have moved since you last voted, changed your name, or have not voted in the last four years, you will need to register to vote. You can register to vote on election day, but to help keep the lines down we ask that you pre-register online at www.mnvotes.org or at the City Clerk's Office, Monday through Friday, between the hours of 7:30 a.m. to 4:00 p.m. The last day to pre-register for the General Election is Tuesday, October 16, 2018.
