

CITY OF HOYT LAKES GOLF CART REGISTRATION

The Hoyt Lakes City Council adopted Ordinance No. 228, “An Ordinance Repealing and Replacing Section 72.095 (A) of the Hoyt Lakes City Code Regarding Registration of Golf Carts” on November 8, 2021.

This changes the three-year registration requirement for golf carts. After the current registration expires, golf cart owners will be required to purchase a lifetime license for each golf cart. This lifetime license is \$50, and not transferrable between golf carts. The city will not issue refunds for golf cart licenses for any reason.

Full Ordinance is available on the City website www.hoytlakes.com and on file at the City Clerk’s Office.
