

**PUBLIC NOTICE
City of Hoyt Lakes**

The monthly residential water/sewer/refuse charge will be \$79.00/month effective with the January 2016 billing which will be mailed out approximately February 2, 2016. If you are not currently delinquent on payments, and you are unsure as to which month you should be paying for, please wait until you receive the February 1st billing statement. Customers on automatic payment program will have the increase collected from your account in January. Commercial customers will increase proportionately.

The \$4.00 sewer increase is necessary to meet the proposed effluent limits for mercury through the MPCA.

There will be a \$5.00 late penalty charge for accounts that are not paid by the last day of the month.
