

**PUBLIC NOTICE**  
**City of Hoyt Lakes**

The monthly residential water/sewer/refuse charge will be \$95.50/month effective with the January 2019 billing which will be mailed out approximately February 1, 2019. If you are not currently delinquent on payments, and you are unsure as to which month you should be paying for, please wait until you receive the February 1<sup>st</sup> billing statement. Commercial customers will increase proportionately. The \$7.50 sewer increase is necessary for Wastewater Treatment Facility Restoration. There will be a 10% late penalty charge for accounts that are not paid by the last day of the month.
