This permit is granted upon the express conditions that said owner or the person to whom it is granted, and his contractors, agents, workman and employees, shall comply in all respects with the ordinances of the City of Hoyt Lakes and with the plans and specifications herewith submitted. This permit does not cover the use of public property, such as streets, sidewalks, alleys, etc., for which special permits must be secured. This permit also does not cover the following for which special permits must be secured: **electrical work**, plumbing, heating, materials, etc., if such there be.

Please draw in the site plan details using a separate piece of paper. Include the following in the drawing: dimensions (width, length, height) of all new construction, setbacks from lot lines to all new construction, and location of existing structures with length and width. Please attach any other work plans or specifications.
