

6.2 Zoning District Map

The boundaries of the Districts as established by this Ordinance are shown on the map accompanying and made part of this Ordinance which is properly approved and filed with the City Clerk. The district boundary lines on said map are intended to follow street right-of-way lines, street center lines, or lot lines unless such boundary line is otherwise indicated on the map. In the case of unsubdivided property or in any case where street or lot lines are not used as boundaries, the district boundary lines shall be determined by use of dimensions or the scale appearing on the map.
